

Cat® Classic™ Parts

for Hydraulic Excavators

Dependable, economical repair options for hydraulic excavators

Cat® Classic™ Parts are a lower-cost, value-priced repair alternative when the age, application or remaining life of older Cat machines and engines demand a more economical repair solution.

Hydraulic excavators have long, productive lives. Because their usage changes as the machine ages, maintenance costs need to be re-evaluated. To help you manage your maintenance costs, Caterpillar offers Classic Parts for several models of hydraulic excavators.

Cat Classic Parts for hydraulic excavators offer:

- A lower-cost, value-priced repair alternative
- Reliable performance
- The standard Caterpillar warranty
