

BOSCH – ANGLE GRINDERS

- Powerful motor with maximum power reserves for top stock removal and fastest work progress
- New auxiliary handler with “vibration control” reduces vibration by up to 60%, for fatigue free working
- Armored coils protect the motor against sharp grinding dust and ensure long service life
- Patented multi-function tricontrol safety switch
- Double sealed ball bearings and the epically sturdy gearbox guarantee long service life
- Rotating gear head

SPECIFICATION:

Disc diameter	180 mm
Idle speed	8500 rpm
Power input	2600 W
Grinding spindle thread	M 14
Weight	5.1 Kg
Model no	GSR 26 – 180 H
Part Number with vibration control	0 601 855 093
Part without vibration control	0 601 855 403
